

For Immediate Release

Dahle North America Makes Scrapbooking Easier ***New Personal Trimmer Kit***

Peterborough, NH, March 10, 2004 –

Dahle's popular Personal Trimmer is now available as a kit with the ability to create customized scrapbook pages with ease. This high quality, accurate trimmer features a sturdy metal base, self-sharpening blade and comes complete with a straight, wavy, deckle and perforated cutting head. It's the perfect tool to show your creativity.

"Scrapbookers are always looking for new ways to increase the level of detail in their work," said Scott Prokop, VP and General Manager, Dahle North America, Inc. "By offering our Personal Trimmer and decorative cutting heads as a kit, we're providing everything they need to create the intricate pages they desire."

Safety is an important feature built in to this trimmer. The cutting blade is fully enclosed inside a plastic cutting head, which virtually eliminates the chance of an accident. Dahle's Personal Trimmer Kit is affordably priced at \$89.95 and is a must have tool for scrapbookers, papercrafters and craft hobbyists.

Dahle North America, Inc. is a fully integrated manufacturer of innovative office products and equipment with a brand name recognized for quality and precision. Dahle markets more than 300 products, including paper shredders, paper cutters and trimmers, scissors, pencil sharpeners, and Novus staplers.
