Dahle Offers Comfortable Scissors At A Comfortable Price ***Dahle's New Comfort Grip Scissors***

Peterborough, NH, April 2, 2003 –

Sore, tired fingers are a thing of the past with the release of Dahle's new Comfort-Grip Scissors. These ergonomically correct scissors provide a soothing surface for your fingers and allow for continued comfort for as long as you cut. The cutting blades are made of hardened, high quality stainless steel for a sharp edge that will last a long time.

“There is a great demand for scissors that are comfortable, affordable and built to last” said Chris Jackson, Marketing Manager, Dahle North America, Inc. “Through our Vantage line of Comfort-Grip scissors, we fulfill this demand.”

Comfort-Grip scissors are not only comfortable on you hands, but also comfortable on your wallet. These scissors are affordably priced and are available in 5”, 6” and 8” sizes making them a must have for every room in the house.
