## **Dahle Introduces Line of Deskside Shredders** *The Convenience of Shredding at Your Fingertips*

*Peterborough, NH, December 22, 2011 –*

It's all about convenience with Dahle's Deskside Shredders. It doesn't matter whether you are an executive, a secretary, or someone looking for added security at home, these machines are small enough to accommodate any workspace yet powerful enough to get the job done. Dahle's smallest line of shredders, are perfect for destroying bank statements, credit applications or financial records.

"Dahle's Deskside shredders are ideal for personal applications and can easily be kept at arm's length," said Scott Prokop, VP, Dahle North America, Inc. "That way you'll never have to leave your desk to properly dispose of confidential documents."

The easy-to-use command dial controls all of the machine's functions and notifies the user when to change the shred bag and if the door is ajar. This shredder offers fully electronic capabilities including such safety

features as Automatic Shutoff when the cabinet door is open, and Auto Reverse to prevent an overfeed. It's these state-of-the-art features that save energy, time and provide a worry free environment.

Dahle Personal Shredders are built with an 8 ½" feed opening and available as a strip cut (model 40104) and a cross cut (model 40114) shredder with a retail price of \$895 and \$995 respectively.

Energy conservation continues to be a top priority at Dahle. Dahle professional shredders are no exception. The World's only line of shredders with built-in SmartPower Energy Management System, Dahle Professional shredders operate using the intuitive SmartPower Energy Management System. This multi-stage system integrates "green technology" by reduces power consumption after ten minutes of sitting idle (sleep mode), and completely powers down to a 0% energy draw after an additional 20 minutes of inactivity. The SmartPower System will appeal to those interested in conserving energy as well as reducing electrical costs.

Dahle North America, Inc. is a fully integrated manufacturer of innovative office products and equipment with a brand name recognized for quality and precision. Dahle markets more than 300 products, including paper shredders, paper cutters and trimmers, scissors, pencil sharpeners, and Novus staplers.
