

Deskside Shredder

22022 PaperSAFE® Series Paper Shredder

Looking for the most convenient way to destroy confidential information? The PaperSAFE® 22022 shredder by Dahle is oil-free, maintenance free, and remarkably hassle-free. It offers best-in-class features and noise reduction to support a productive work environment.

Oil-Free Shredding

Wondering when your shredder was last oiled is no longer a concern. Through clever engineering, this machine maintains peak performance without oil. This PaperSAFE® shredder is not only convenient to use and economical to maintain, but also easier on the environment.

Whisper Quiet

Having a quiet work space is critical for productivity. This shredder features Whisper Quiet operation that

produces the lowest decibel levels in its class. It's perfect for shredding in a quiet office and not disturbing others nearby or on the phone.

Jam Protection

Fewer things are more frustrating than a paper jam. With built-in jam protection, this shredder prevents those annoyances. If sheet capacity is exceeded, simply slide the power switch to reverse to change the direction of the motor. This pushes the paper back out and makes it easy to re-feed fewer sheets.

Convenience

Additional features such as automatic on/off operation and energy saving standby mode make this shredder convenient to use, easy to maintain, and environmentally friendly.

Product Features

Oil-Free / Hassle-Free Shredding

- Maintains performance without maintenance
- Environmentally friendly

Whisper Quiet Operation

- Less noise & prevents interruptions

Built-in Jam Protection

- Eliminates frustrating paper jams
- No shredder down time
